# STÜHMER COMPANY INTRODUCTION

## COMPANY HISTORY

Company history: In 1868, the first and largest chocolate factory in Hungary was founded in Budapest by Friedrich Stühmer Hamburger, master confectioner. Between 1920 and 1941, 63 Stühmer branch stores were opened in Hungary, and another in Paris and Opatija.

The aim was to produce exclusive sweets both in taste and appearance, with which it would be possible to satisfy the needs of the buyer of sweets of a high level. The buyers support high quality requirements against Stühmer products.

The values represented by Brandname Stühmer are still relevant today: quality, tradition, innovation.
